Subject: Senate bill 1129

Please support this bill. We should protect our citizens. Violent offenders should not be allowed early release.

Regards,
K Curtis

- The bill adds manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus as crimes for which a person cannot earn risk reduction credits.
- The bill would also require a prison warden to review and sign off on risk reduction credits earned by an inmate.
